Banking Options, Payment Options, and Easy Withdrawals	X			X	X
Casino is in Your Country	X				
Customer Support	X	X		X	X
Design, Developers, Partners, and Smartphone Functionality			X	X	
Game Selection	X	X	X	X	X
Stance of Gambling Responsibility, Reputation, Licensing	X	X	X		X
Welcome Bonuses, VIP Bonuses, and Promotions	x	X	X		X

According to the information in this chart, the top things to look for in a Casino Provider are as follows:

1. Game Selection
You want to have fun and options.
2. 3 different categories tied for the second position:
 - Customer Support
You want to be taken care of.
 - Stance of Gambling, Responsibility, and Licensing
You want a company you can trust.
 - Welcome Bonuses, VIP Bonuses, and Promotions
You want more money to keep you coming back to the same site.
3. Banking Options, Payment Options, and Easy Withdrawal
You want finances to be easy, accessible.
4. Design, Developers, Partners, and Smart Phone Functionality
You want the software to work.
5. Casino is in Your Country
You want easy access should issues arise.
